will celebrate together

Resident Spot Light

Sandy's favorite activity at Woodland Terrace is doing crafts. For seven years Sandy loved being a part of the "Good News" singing group. She enjoyed traveling all over Michigan. They traveled to Chicago several times. She was born in Benton Harbor, but has lived in Coloma for over 30 years. Dionah, her daughter is a very big help.

Bea's favorite thing about Woodland Terrace is how everyone is so friendly, which contributes to making it a very comfortable place to live. She was born in Chicago and worked on the 30th floor of the Pure Oil Building, later moving to Bridgman with her husband. She has long enjoyed crocheting and has made many items. She has always loved animals. Dogs are her most favorite.

Staff Spot Light

Maxine comes from Columbus, GA. At the age of 10 she moved to Hartford. After getting married, she and her new husband moved to Coloma. She worked in dry cleaning for 30 years and taught Sunday School for about 40 years. What does Maxine like about Woodland Terrace? She loves the residents. She also says that she wished she'd done this a long time ago. She loves to swim and do water aerobics. She also loves doing things with her identical twin.
